Holidays

34.1 Work Assignments on Holidays

Unless NRC determines that a specific employee(s) is required to work an established U.S. Government holiday, NRC agrees to direct such work assignments based on seniority among qualified employees. In situations where there are volunteers, NRC agrees to use the most senior employee(s); in those cases where there are no volunteers, NRC agrees to use reverse seniority.

34.2 Notification to Employees

The NRC agrees to notify employees who are directed to work an established U.S. Government holiday as soon as practicable after the need is known.
